

**Free Spirit** is the second Catalina 30 in our fleet. A great discovery by Captain John, we were delighted to add another tried and true Catalina to yachts our members can charter. Free Spirit is extremely well appointed and has plenty of sail. She is perfect for the sailing couple wanting to spend a quiet weekend over at Catalina. She can sleep up to six people without difficulty. If you need or plan to have extra hands aboard, they will find plenty of room and all of the conveniences which make the Catalinas so popular.
